Abstract

General information:

Abstracts as well as full papers must be written in English language. It is mandatory to use the template for submission.

The information on the **first page** include title, authors, addresses, E-mail of corresponding author (see example on top) and the abstract text. For the abstract text please use 11pt Times New Roman. Maximum length of the abstract text is ½ DIN A4 page.

The abstract text should include a short introductory statement that outlines the background and significance of the study, the methodologies as well as the major findings of the study. No citations in the abstract please.

On the **second page** please give an information concerning your preference for presenting a poster or an oral presentation as well as the Keyword list for review and session purposes.

Please send the two pages as **one pdf** document to info@icnft2018.com
Incomplete documents will be rejected.

Please name the document as: «Last name of the corresponding author» Abstract ICNFT2018
Example : Friedrich Abstract ICNFT2018.docx

Deadline: October 31, 2017

Notification about abstract acceptance: November 30, 2017
Full paper Deadline (4-10 pages): February 1, 2018

All full papers will be reviewed by the scientific committee according to the rules of CIRP and accepted papers will be published by EDP Sciences, through the MATEC Web of Conferences (Open Access publication). The papers will be indexed in Google Scholar, CAS, Compendex, Inspec, DOAJ, CPCI (Web of Science) and Scopus.

- For each accepted paper at least one author is requested to register as conference delegate and present it at the conference.
- Papers can only be submitted to one conference and must describe current original research of international interest.
- Papers need to pass a proper peer review according to the rules of CIRP via EDP Sciences online tool.
- Papers need to be related to the main topic of the conference, i.e. to the specific "call for papers" of the conference.
- Plagiarism in all its forms constitutes unethical publishing behavior is unacceptable.

We look forward to your contribution and to meet you at the 5. ICNFT in September 18-21, 2018 in Bremen/Germany!

Checklist for Authors

Select your preference for poster presentation or for oral presentation (see the first author rule above). However, there is no guaranty that your choice can be realized.

Preference oral presentation

--

Preference poster presentation,
incl. 2 minute session talk for introduction

--

Keywords (for review and session)

Technologies

1-3 keywords (ranking: 1 best match, other rank 2 and 3)

Bending	
Bulk metal forming	
Cold forming	
cutting/shear cutting	
Deep drawing	
Dry metal forming	
Electroforming	
Extrusion	
Forging	
Free forming	
Hot forming	
Hydroforming	
Incremental sheet forming	
Laser assisted forming	
Micro forming	
Rolling/Roll-forming	
Sheet metal forming	
Powder sintering	
Other manufacturing processes	
Modeling and design	
Equipment and future factories	
Tool design and tooling technics	
Quality Control	
Tribology	

Materials

1-3 keywords (ranking: 1 best match, other rank 2 and 3)

Ceramic	
Steel	
Light metals (Al, Ti, Mg, Ni-based alloys)	
Metal matrix composite	
Non ferrous metals	
Porous metals and structures	
Composite	
Powder	
Polymer	
Other new materials	
Materials and characterisation	
Heat treatment	
Modeling
